Subject: Feedback on the Future of Hospital Services in West Hertfordshire
Attachments: Feedback on the public meeting 7th March 2019.docx
Categories: In log

Dear Sir/Madam,

I do not believe that any of the shortlisted options will deliver value for money or an appropriate level of care or access to care for the residents of west Hertfordshire now or in the future.

Please see my fuller response provided in the attachment to which I would be grateful for a response which will resolve my concerns.

Yours faithfully,

[REDACTED]
